

**KENOSHA COUNTY GENEALOGY SOCIETY**  
*where we gather together to trace our lineage*

One of our favorite speakers, Jean Hoffmann has done genealogical research for over 30 years. She has given presentations on various aspects of genealogical research including “Beginning and Intermediate Genealogy,” “Visiting the Motherland”, “Comparing DNA Tests, “ and “Finding Your Civil War Ancestor.”

## **“Learning to Use WorldCat”**

You can search for popular books, music CDs and videos—all of the physical items you're used to getting from libraries. You can also discover many new kinds of digital content, such as downloadable audiobooks. You may also find article citations with links to their full text; authoritative research materials, such as documents and photos of local or historic significance; and digital versions of rare items that aren't available to the public. Because WorldCat libraries serve diverse communities in dozens of countries, resources are available in many languages. .

The Kenosha County Genealogy Society is happy to grow our membership. We would love to have you as one of our members. If you are interested in researching your heritage, please join us:
