

Board members present were: Judy Uelmen, Judy Reynolds, Suzanne Dibble, Claudia Schiller, Sharon Worm, Don Kueny, Jeff Huff and Mary Ann Cole.

President, Judy Uelmen called the meeting to order at 6:35 at Gateway Technical College Bio-Science Bldg.

Maureen Brady will be the speaker for the Jan. 14<sup>th</sup> meeting. The subject will be Scots-Irish research.

Judy now has the revised contract with Gateway Technical College for the KCGS meeting rooms and dates. We will alternate between the Madrigano and Bio-Science buildings for our regular meetings.

Jeff is still working with putting the cemetery photos online. There is a lot of data. Judy Uelmen is going to work with a tech specialist on getting the photos ready for online viewing.

Don gave the Treasurer's report.

Mary Ann read the minutes from the Nov. 5<sup>th</sup> 2012 board meeting.

Jeff set the new password for 2013 KCGS members.

The Kenosha Public Library has listed the KCGS One-on-One Family History Consultation Sessions in their Jan-May Event Calendar.

The sessions will be at the Southwest Library on Feb. 20, Mar. 25 and Apr. 24 from 6 to 8 PM.

Sharon suggested Michelle Pennington as a speaker for one of our meetings.

Michelle does a program on The Christmas Tree Ship and also some other programs.

Sharon gave the publicity info to Judy Uelmen for follow-up.

It was suggested that it might be a good idea to put up some posters around town for our meetings and the Library Classes.

Judy Uelmen brought up the guided cemetery tours given by the Western Kenosha County History Society. One of there might be a good field trip for KCGS members.

Judy Uelmen would like to have a "cemetery photo day" on a Saturday in the Spring. With enough people some of the cemeteries could be finished up. There will be a sign-up sheet at a meeting closer to the date.

Claudia would like the KCGS to do a food/toiletries drive for one of the shelters in town during the April or May meeting. More info will be forthcoming.

The meeting adjourned at 7:45 PM.
